Title of the Programme: - Personal Counselling to Female students

Date: 12th February, 2020

Number of Participant: 25

Resource person: Dr. Alpana Deshpande

REPORT

1-day personal counselling session was conducted by home science department for female students. The benefits of the session were enhancement of listening and social skills as they learnt how to express emotions (i.e. fear, anger, etc). This also helps in effective stress management in young people which goes a long way in their success.

Training program on Mushroom Production at Krishi Vigyan Kendra, Rajnandgaon (C.G)

The training programme on mushroom production was organized by Department of Industrial Microbiology and conducted at KVK, Rajnandgaon on 31st January, 2020. There were 28 students participated in the training program on mushroom production. The Scientific officer, Mr. Jitendra Meshram Sir introduced us to various department including poultry farm, botanical garden, pulses agriculture field and fisheries. The training program was also helpful in encouraging our students to pursue entrepreneurial journey for the creation of affordable and nutritious food products for the human diet.

Title of the Programme: - Rashtriya Poshan Maah

Date: 7th October, 2021

Number of Participant: 22

REPORT

Poshan Maah highlights the importance and role of the right nutrition for the human body. A balanced diet with a combination of essential nutrients and calories is essential for smooth working and growth of human body. This year, on 7th October, 2021, Poshan Maah was organized by home science Department, wherein, the students displayed different grains, fruits, & leafy vegetables from Chhattisgarh which help in combating malnutrition. Activities were conducted on nutrition awareness, the inauguration of which was done by Honorable Principal, Dr. Alka Meshram.
