### No of Participants: 23

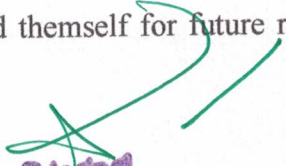

Geography department is concerned to UG course. We motivate our B A III year Geography students to collect primary data, to participate in questionnaires preparations. We choose topics based on Physio-socio-economic & cultural aspects, we assigned students nearby micro –regions i.e wards and villages and tell them to collect primary data of family's living around their villages and wards.

### By doing this our student's experiences:-

1. The manner and protocol of data collection,
2. How to approach a family or individual,
3. How to explain their objective of data collection
4. How to ask personal information (as most of the citizens hesitate to share one's Socio – Economic –cultural information,
5. How to prepare excel sheet of the data,
6. Coding and decoding of data etc.

This way we motivate our students of UG geography to mentally prepared themselves for future research activities.

Principal  
C.C. College

Indira Gandhi Govt Arts & Commerce P G College ,Vaishalinagar Bhilai has organized 07 days "MODULES OF SELF DEVELOPMENT " from 5<sup>th</sup> june to 11 june 2021.The Dept. of Geography has also been assigned a topic 'Designing Research Problem" in the modules of self-development programme. For the above topic Dr. Rakesh Derhgawen , Asst. Professor of Satya Narayan Agarwal Govt Arts & Commerce College ,Koha-Neora, Raipur ,Chhattisgarh has been invited as resource person. Faculty members, Research Scholars of PG students and research aspirants participated in this storming session that was held on dated 07/06/2021.Dr. Rakesh in his lecture intensely discussed the basic concept of the research and the components of research .He stated that before designing research problems a scholar should know how to initiate research, how to write research problems, objectives ,title of the research, review of literature, aims and objectives, methodology, plan of analysis of result, bibliographic references etc.The participants have given immediate feedback in chatbox (Enclosed).

At last in his concluding speech the organizer of the programme told that problem of the research designing should be framed in such a way so that after the completion of the research it could be beneficial and applicable to the society.
