

DEPARTMENT OF COMMERCE

DEPARTMENT AT A GLANCE

Department of Commerce embrace all those functions involved in startup, buying, selling marketing and transport of goods. Students are our valuable product which are trained and groom by jack of all trades. We the team of faculties educate them how to buy and blossom their path, how to dispose of negativity and worries, how to project and present themselves in changing and ruthless market and how to ravish on organization as a leader with enormous qualities.

Stakeholder's satisfaction is the vision and mission of the department. We always stressed on the need for identifying the stakeholders expectations i.e. students, parents and society. Faculty inclination is on deliberated on the required strategies, processes, capabilities and appropriate performance measures to realize the vision. In retrospect, from last many years dedicated team work of faculty members, who are progressive creative and committed to student and self – development. Our students are achieving the heights of success by professional exam like **CA, ICWA, ICS**, from last many year. Students are rocking in multiple area sports, cultural social, theatrical, and literary events which depict quality and creativity of the students of this department with the synergies of the student, faculty. The department is striving towards so that moves forward in this direction in a move focused manner in the upcoming academic year.
