3.	Mrs. Krishna Veni	Asst Prof. (Guest faculty)	M. Sc.	09.03.2021	02	02

## TEACHING METHODOLOGIES

### CLASS ROOM LECTURES

Regular classes of UG and PG students were conducted according to the Time-table before the outbreak of Pandemic.

The classes were conducted through online, offline and blended mode according to the guidelines of UGC, Department of Higher education and Chhattisgarh state.

Post graduate classes are also conducted using LCD projector and smart board.

## TUTORIAL CLASSES

Tutorial classes were conducted for slow learners in post- and under-graduate level.

## LIBRARY CLASSES

Facility of the Departmental library is available with unified as well as reference book sections including ---- books.

Two desktop computers with Wi-Fi and LAN connectivity are also provided in the library that can be utilized by the student for surfing e-resources.

## INTERACTIVE SESSIONS

Undergraduate Students are encouraged to participate in the seminars whereas it is compulsory for the Post graduate students to present their seminars either using LCD projector or chalk and board. During these sessions open discussions are made between the teachers and students on the relevant topics.
