DEPARTMENT OF ENGLISH

INTRODUCTION: -

The LSRW viz:

Students are given opportunities to explore and develop these skills. Thus teachers may have an idea about the students actual grasping of the subject, and further means more empowered to help them.

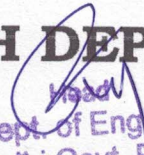

METHODOLOGY: -

- Sample of 50 students are chosen from Under Graduate II and III year.

- Provided with Questionnaire prepared by the department.
- Analysis of the Questionnaire given a concept of student proficiency in LSRW Skills.
- It helps the faculties with deal with the student and average English Communicative skills as required.
