Five Brave Soldiers

Five brave soldiers fighting in the war

One came home

And now there are four

Four brave soldiers strong as can be

One came home

And now there are three

Three brave soldiers I one knew

One came home

And now there are two

Two brave soldiers ready to be done

One came home

And now there is one

One Brave soldier ready for some fun

One came home

And now there are none

## "ODE TO LOVER"

Soldiers are indeed nation's pride,  
But my heart aches for someone making  
bigger sacrifice,  
They leave behind their families, love and lives,  
But the one who left behind pays  
the same price.

Country owes debt to their friends  
and family,  
But no one recognizes a lover's agony,  
She turns her normal life into tragedy,  
Don't you think she also immolate for  
the country .

After living the best moments for awhile,  
She bids him farewell bravely with a bright  
smile,  
Fear of unknowing which meeting will be  
the last,

Inspite of having choices; she took the  
path no one asked.

I'm grateful for the sacrifice soldiers offer  
to our land,

But in the race of patriotism ; the one who  
left behind also stand.
