

## **Facilities in department –**

Zoology department Faces the challenge of teaching without Animal dissections.

We have a workshop inside the lab ,where students prepares low cost models for dissections, This is used as alternative to dissections.

This initiative is highly appreciated in and around college and the “People for animals ,Durg Chapter “

has specially appreciated it. Dissecting model materials.

1. Overhead Projector

17. Haemocytometer
18. Centrifuge
19. Chromatography kit
20. Hot Plate
21. Specimens
22. Slides

Practical lab has one Lab manual for the students.

It was wonderful to visit "ZOOLOGY LAB". Students have done such a hard work, I can't describe in words. Mrs. Shikha Sinastar mam is such a great & kind person. Under her leadership, I'm confident that the future generation is under visionary teachers guidance, and caring for animals ALL THE BEST. Thanks for visiting PFA Durg Bhalai Unit 2
